## Friday's top prospect performers

Mike Rosenbaum | MLB.com | August 18, 2018

• No. 10 overall prospect Royce Lewis (Twins' No. 1) hit a solo home run in the eighth inning that proved the difference in Class A Advanced Fort Myers' 3-2 win over Clearwater. He reached base three times out of the leadoff spot, going 2-for-3 with a walk to go along with his 14th home run of the season. The 19-year-old shortstop continues to have a remarkable first full season, hitting .316/.380/.498 with 46 extra-base hits, 74 RBIs, 82 runs scored and 28 steals.

## Mining the Minors: Who's in line for a September call-up?

Jake Depue | ESPN 1500 | August 18, 2018

With the Twins out of contention and a number of key veterans traded away, Minnesota's already begun the audition phase of the 2018 season.

Jake Cave, Tyler Austin, Kohl Stewart and others are up and getting consistent playing time. As the calendar turns to September, Twins fans should see a number of other players matriculate to the big leagues.

Minnesota has several young prospects on the cusp of the majors, as well as some interesting older players who deserve a shot in the show. Here's a look at who we might see at Target Field in September.

### Starting pitchers

Stephen Gonsalves

The Twins No. 5 prospect (MLB.com) has pitched through a season-long issue with walks to again put up outstanding numbers. Although the 13.4% walk rate at Triple-A is still high, the free passes have been better of late, and the rest of his numbers are outstanding. In 100.1 innings with Rochester, Gonsalves has a 2.96 ERA and solid 23.1% strikeout rate. Perhaps most impressively, opponents are hitting just .184/.302/.283 against the southpaw this season. Put another way, the vast majority of baserunners against Gonsalves reach via walks and singles; he's been very stingy in the amount of hard contact and extra base hits allowed.

Gonsalves has a real shot to be in the rotation next year, and after another solid year in the minors, he should get a chance to get his feet wet in the majors. I'd be surprised if we don't see him in September.

### Zack Littell

Littell's numbers haven't been quite as dominant this year as last, but he's still had a very good season for a 22-year-old in Triple-A. In 94.1 IP, Littell has a 3.63 ERA and solid strikeout rate. The biggest difference between this year and past seasons is a slightly elevated walk rate. Littell's a command and control pitcher, so his struggles there are more meaningful than they would be for an overpowering flamethrower. Nevertheless, he's an under-the-radar prospect who's already reached the majors at 22. Nerves were an issue for Littell in his first two big league appearances, so getting him more major league time would be beneficial, both in terms of his development and comfort level pitching at the highest level.

### Fernando Romero

We saw Romero's talent and ability to dominate a big league lineup when he came up in May. We also saw inconsistency with fastball command, and a need to further refine his secondary pitches, including developing a greater differential in velocity between his fastball and changeup. Romero's numbers have been good in Triple-A—3.19 ERA—although the 18.0% strikeout rate is probably a little lower than the Twins would like. Derek Falvey said last month that at times he hasn't gotten as much swing-and-miss as they think he's capable of. Falvey also said Romero's innings will likely be restricted at some point this season; he's already surpassed his career high in innings in a season. For that reason, I don't think it's a certainty he's back in Minnesota this year. If he is back, it's possible they could pitch him out of the 'pen or shut him down early. Next season, though, he'll certainly be competing for a spot on the opening day roster, with the expectation that he'll pitch through the entirety of the big league season.

### Others: Lewis Thorpe

### Relief pitchers

Alan Busenitz

Busenitz getting only 13 big league innings so far this season makes little sense to me. Yes, the breaking ball needs improvement. However, he had an ERA under 2 in both Triple-A and the big leagues last year, and has outstanding numbers again in Triple-A this season. Nevertheless, he's been passed up in favor of Matt Belisle, Oliver Drake and others. Busenitz is about to turn 28. There's no reason he shouldn't be with the Twins right now.

Nick Anderson

After putting up video game numbers last year, the Brainerd native has been very good again this season. In 50 innings through play Thursday, he has a 3.78 ERA, extremely high 35.3% strikeout rate, and low 8.2% walk rate. He was a Triple-A all-star this year, and has been perhaps Rochester's most consistent arm out of the 'pen. Calling him up would be a good story, yes, but Anderson's earned it on merit.

John Curtiss:

After seeing significant time last season, Curtiss has made only two appearances with the Twins in 2018. In Triple-A, he has a high strikeout rate, but has struggled with walks. Unlike Anderson, Jake Reed, and Luke Bard, Curtiss is on the 40-man, which probably increases his chances of getting another look in September.

Jake Reed

Reed profiles similarly to Anderson and Curtiss, though with a lower strikeout rate. His 2.06 ERA in Triple-A is excellent, and he possesses a big fastball. He's given up one home run all season. Reed's proven he can get Triple-A hitters out, let's see if he can do the same in the majors.

Luke Bard

Bard pitched the first month of the season for the Angels, after getting selected in the Rule 5 Draft due to his huge spin rates and strikeout totals. Although he pitched pretty well in the majors, he was returned to the Twins in May. The 4.89 ERA in Triple-A is a bit high, but the peripheral numbers suggests he's been better, and he still has a strong strikeout rate.

Others: D.J. Baxendale

Infielders

Willians Astudillo

Astudillo got two weeks in the big leagues earlier this season, and made quite an impression. The portly utilityman saw time at second base, third base, left field, center field, and DH, and even threw an inning on the mound. Astudillo, of course, is a catcher by trade, one of the few positions he didn't play in the majors. His absurdly low strikeout rates and ability to hit for power make him an interesting player, particularly because he can play catcher, though the Twins don't seem to view him as a reliable option behind the plate. For Baseball Twitter's sake, let's hope he's back in September.

Kennys Vargas

Yes, Vargas is still in the organization. He's had a sub-par year for Rochester, with an OPS of .703, though he has been hitting for more power of late. Vargas probably only makes it back if Joe Mauer or Tyler Austin get hurt or leave the organization via trade.

Nick Gordon

After hitting the cover off the ball in Double-A, Gordon's really struggled in Triple-A. On the season, he's hitting .213/.252/.292 in 334 plate appearances with Rochester. It could be the jump in level that's causing the slump, but note that he also slumped badly in the second half last year at Chattanooga after playing extremely well in the first half. For all those reasons, I'm guessing the 22-year-old won't get called up. Don't let the slump fool you, though, the bat is legit.

Brent Rooker

Rooker's had a very solid year in Double-A, hitting .266/.340/.493. After a cold start, he's come on strong the last two months. If he finishes well, the Twins might bring him up in September for a taste of the big leagues, where he figures to see significant time beginning next year.

Others: Taylor Motter, Juan Graterol

Outfielders

## Byron Buxton

Not much point in rehashing Buxton's season again; we all know the story. The bottom line is if he's healthy, he'll be back. He needs all the at-bats he can get, particularly in the big leagues. A nice September could help him regain some of the confidence he's surely lost through all the injuries this year. There's still a superstar in there, if he can stay on the field.

## LaMonte Wade

The Twins No. 13 prospect (MLB.com) is having a typical LaMonte Wade year: Solid average, very high OBP, moderate power. Between Double-A and Triple-A, he's slashing .269/.379/.406. Wade's reached double-figures in home runs (11) for the first time this season, and has the ability to play all three outfield spots. He'll challenge Jake Cave for a bench role next year, and could see some time this September if the Twins are willing to add him to the 40-man roster.

## Montero, Lewis snag MWL season awards Sam Dykstra | MiLB.com | August 18, 2018

Award season has come early to the Minor Leagues, starting Friday in the Midwest League.

The Class A circuit named Peoria third baseman Elehuris Montero its Most Valuable Player and Cedar Rapids shortstop/No. 10 overall prospect Royce Lewis the Prospect of the Year as part of its postseason All-Star unveiling.

Montero, the No. 8 prospect in the Cardinals system, leads the Midwest League in a host of categories including average (.321), slugging percentage (.529), OPS (.910) and total bases (201). He also chipped in 15 homers, three triples and 28 doubles during his 102-game stint with Peoria. The right-handed slugger was promoted to Class A Advanced Palm Beach on Aug. 7.

Lewis -- the No. 1 overall pick in the 2017 Draft -- returned to the Midwest League in 2018 after getting an 18-game taste of the circuit last summer. The 19-year-old shortstop hit .315/.368/.485 with nine homers, 23 doubles and 22 steals in 75 games with Cedar Rapids before moving up to Class A Advanced Fort Myers on July 14. Lewis demonstrated a plus hit tool and plus-plus speed with the Kernels, solidifying his place as one of the game's most exciting Minor Leaguers.

Lewis rips one

00:00:48 • July 12th, 2018

Lewis was joined by teammate Alex Kirilloff (No. 30 overall) as the two top-100 prospects among the circuit's postseason All-Stars. Kirilloff hit .333/.391/.607 with 13 homers, five triples and 20 doubles in 65 games with Cedar Rapids. His .999 OPS and 176 wRC+ are both tops among the 128 batters with at least 250 Midwest League plate appearances.

Bowling Green right-hander Tommy Romero and Fort Wayne southpaw Osvaldo Hernandez were the two starting pitchers honored by the Class A circuit. Hernandez leads the league with a 1.81 ERA to go with a 1.19 WHIP and 94 strikeouts and 27 walks in 109 2/3 innings. Romero's 3.01 ERA ranks fifth while his 122 strikeouts in 113 2/3 innings sit third.

Bowling Green led the league with four All-Star representatives on the 2018 squad, with catcher Ronaldo Hernandez (league-leading 18 homers), second baseman Vidal Brujan (43 steals) and outfielder Moises Gomez (.277/.327/.472) joining Romero. Craig Albernaz was named Midwest League Manager of the Year after leading the Hot Rods to a league-best 78-44 record, as of Friday.

### **Lookouts rained out on the road**

**Staff Report | ESPN 150 | August 18, 2018**

The Chattanooga Lookouts' scheduled game against the Mississippi Braves on Friday night was rained out.

The five-game series between the Southern League teams is now set to finish with a doubleheader at 5 p.m. EDT today in Pearl, Mississippi. The second game will start approximately 30 minutes after the conclusion of the first game.

The scheduled starting pitchers for the first game are the Lookouts' Jorge Alcala (0-2, 6.75) and the Braves' Michael Mader (3-3, 3.86). For the second game, it's Sean Poppen (5-5, 3.72) for Chattanooga and Kyle Muller (2-0, 4.09) for Mississippi.

The Braves beat the Lookouts 3-1 on Tuesday and 3-2 on Wednesday before Chattanooga ended a four-game losing streak by routing Mississippi 10-1 on Thursday.

The Lookouts start a five-game series against the Montgomery Biscuits in Alabama at 6:05 p.m. EDT Sunday. Chattanooga's final home series of the season is against the Jacksonville Jumbo Shrimp, and that five-game set starts next Friday at AT&T Field.

The Lookouts will close the season with a five-game road series against the Jackson Generals that begins Aug. 30.
