

28 MINNEAPOLIS TRIBUNE ••• Thurs., Aug. 10, 1967

SID HARTMAN

'THE MINNESOTA TWINS, who have a 21-20 record on the road compared to a 17-20 mark at the Met, will play 20 games away and only 18 at home after they close the current season.

The Twins played 14 games at home and 17 on the road during the first part of the season. The schedule is made up by the American League office with help from Harry Simmons, who has worked on the schedule for years. But it is a very unbalanced.

From what I hear, our 1968 schedule will have us playing a lot of games at home in August and September. This won't help us.

But Sid didn't expect to be a general manager when the schedule was changed. He was unhappy they had a lot of home games in August and September. They're not fighting for the pennant.

After Aug. 15, the Red Sox have 27 games at home and only 16 on the road. Chicago also has a favorable schedule during the period of 27 games at home and 20 away.

New Catcher: Hank Iwanski, the 27-year-old catcher from Denver, who was purchased by the Twins Wednesday, was purchased by a free agent by George McDonald of the Orlando Fls. club in 1962 when the Florida State team needed a catcher.

Iwanski had been the Cleveland Indians catcher in 1962. He was looking for a job when McDonald looked him up in Miami. He called George Brophy, assistant Twins farm director. He wanted to bring 227 for Cleveland and has been in our organization since. He had the reputation of being a good receiver with a fine arm but never hit well.

First Saw Iwanski when he caught for Hank Aaron in 1962 when he was called for against the old Braves. He was highly rated.

Iwanski will replace Earl Battey who departed the Twins Thursday night.

Vandy Chance: When Ron VanderKlin stars at quarterback Saturday against Philadelphia in the exhibition game at Tulsa, Okla., it will be his third start against the Red Sox.

He quarterbacked for the Vikings in a 14-27 loss in a 1963 pre-season game but in a regular season game that year he called the signals in a 34-15 victory.

Survey Result: A survey was taken recently by MacCentland. Surveys to find out why some people have given up their membership in Minnesota football season tickets.

Reasons given were: 11 percent were too many regulations and some seats are too far from the field. 12 percent were too expensive. 31 percent in contention for Big Ten football. 24 percent in contention for Big Ten football.

Another survey is being taken to get responses to a plan to double the size of the south side of Memorial Stadium to provide 10,000 choice seats at a new price not at a cost of \$5.5 million.

Some \$1.5 million of this total would have to be raised from the public.

The survey, it is hoped, will learn if this is possible.

The plan would be to sell options to buy choice seats at \$500 each for a period of 10 years. In addition, other options would be offered at \$200 and \$100 for other seats in new bowl.

Another plan considered to sell five special boxes at six seats located between the 40-yard lines. The price of the seats for a 20-year period and special honorary plaques is \$84,000.

Another group of 10 boxes of six seats each for a 15-year period would be available for \$25,000.

Jobings: Jerry Crider, the former St. Louis, S.D. Washington High School and South Dakota State pitcher, has a 12-10 record for Denver.

He has four complete games in his last five starts. Andy Koenig, the former 1977 in a seven-game hitting streak and has extra base hits, including five home runs, in seven of the last 14 games he has played in. He is hitting .341.

Bob Clark, Dick Reese and Bob Carney are slated to play with the Twins' team in the Florida exhibition league.

Kraig Loftquist, former University of Minnesota pitcher, has been accepted by the University of Minnesota Law School and will start this fall.

They Say: George Brophy, GM of the Twins (ex-copier) started out by St. Paul. But he is making good progress at first base, a new position for him. We like the boy as a hitter.

Tommy Williams, Boston Bruins hockey player from Duluth, "I'd like to play with the North Stars someday. But for prestige sake, I was afraid that the Bruins predicted me and didn't make me available in the expansion draft. I received my contract with a \$500 raise and told me I was a free agent. Mr. Schmidt, that he must have had some rookier's contract."

Davis Wins Pine to Palm Medal on 141

DETROIT LANCES, Minn. — Robert Davis of Cedar Falls, Iowa, shot a 71 Wednesday for a 141 two-day total. One gave him medals in the Pine to Palm golf tournament.

Davis won by two strokes over two others in a 141-141 tie. George Lee of Hammond and Fred Goheen of Belmont. The 63 golfers with 154- or better totals and defending champion Roy Rose of Fresno, Calif., who was exempt from qualifying, begin match play today.

Rose meets Tom Cook of Fresno, Minn., and Davis is paired against Al Ostry of Fairbury, Minn. Both Cook and Ostry had 151 total.

Qualifiers:

1	Robert Davis	71-70	141
2	George Lee	71-70	141
3	Fred Goheen	71-70	141
4	Tom Cook	72-70	142
5	Al Ostry	72-70	142

7	Bill Sorenson	72-70	142
8	John H. Smith	72-70	142
9	Ray Rose	72-70	142
10	Tommy Williams	72-70	142

He learned of them from Bill Sorenson, one of the Green Bay Packers in the College All-Star game last Friday.

"I couldn't get away from him," Page said. "After two days in Viking camp with defensive line coach Bob Hayward, he only knew why, but was on his way to correcting the problem."

The college I just tried to run over the blocker," Page explained. "My mistake was in making contact with him. It is a hard job."
