

Twins

Continued From Page 23

Twins on six hits and three runs over the first six innings. President Donie Bush of the Indians said he might sign Holle.

Ironically enough, Holle was released by the Twins' Denver farm club this spring.

TWINS MANAGER Cal Ermer, meanwhile, said he will ask president Calvin Griffith to purchase relief pitcher Mel Nelson from Denver of the Pacific Coast League.

If Nelson were purchased, 21-year-old Jim Ollom likely would be sent to Denver, where he would start and get needed regular work.

The Twins will open a two-game series at Detroit tonight, with Jim Merritt (4-0) pitching against Earl Wilson (8-6).
