

# Twins catch Oaks just in time for flight

By Staff Writer

**Des Moines, Iowa.** Bob Randall and Craig Kusick singled home runs and scored on Dan Ford's double as the Minnesota Twins came from behind with four runs in the eighth inning to defeat the Iowa Oaks of the AAA American Association 9-6 in an exhibition game Monday night.

The game was called immediately after Ford's double by agreement between Twins Manager Gene Mauch and Oaks Manager Joe Sparks because the Twins had a flight to catch.

Glenn Adams and Bob Gorinski homered for the Twins and Art DeFillippis, called up from Tacoma for the occasion, pitched three innings and allowed three earned runs.
