### The Roundup

One Easy Game for Giants in 40

by Sid Hartman

**MANAGER BILL RINEY** of New York rains the Giants pitching staff the equal of any in the National League. He says, "It's every bit as good as what we had in 1951 when the Giants won the pennant."

"What we lack is somebody like Monte Irvin or Bobby Thomson," said the 1955 Miller manager. "They both down in more than 100 runs this year."

"Our pitchers are surprised when we get them more than two runs. All we need is to start hitting and we can cause a lot of trouble. Why, Don Mueller is our leading hitter with about a .280 average."

"Every time we talk about a deal, either Giants ask us for not just one, but two of our top pitchers. We can't afford to give that much, even to add some hitting punch. But we're still trying to make some changes."

Bobby Walters, Giants coach and a former National League pitcher, says the Giants have had only one easy game in the 40 played. Hamilton Brandon, batting coach, says the same. Sunday, but all of the other games have been tough. "I've never experienced a season like this. We just can't seem to do anything right."

### Redlegs Take National Lead

CINCINNATI, Ohio.—(AP)—Redlegs took first place in the National League Friday by capturing Philadelphia 8-5 as Pittsburgh was held to two runs.

A homer run by Stanley Rojek to lead off the eighth inning got Cincinnati in from behind for the first time since it was held to a 10-9 double play by Bob McMillan, a triple by Johnny Temple and a double by Gus Bell accounted for the runs.

It is the first time in 12 years that the Redlegs have been on top of the National League this far along in the season.

### Worthington

Wes Worthington, Giant catcher, says Worthington will be as good as Sal Maglie used to be. All Worthington needs is experience. Worthington is more polished, has more muscle and has a lot more confidence than he had when he first joined the Giants.

Worthington is throwing more pitches, he has a natural fast ball and slider. The guy has a 2-5 record, but he had been pitching in real bad luck, and could just as well have a 5-2 record.

Blanton Monson says he suffered an arm injury in spring training and it has pinned him down, even in his about victory over Philadelphia.
