March 10th, 2025

MINNEAPOLIS-ST. PAUL, MN – The Minnesota Twins today announced that the “Twins Pass” ticket package for the 2025 season is now on sale at twins.com/twinspace and – for the first time ever – provides access for all 81 regular season home games at Target Field, including the April 3 Home Opener, for fans who take advantage of the full season package at a one-time, all-in payment of \$324 (available now through April 2). In addition to Home Opener access, the full season package equates to just \$4 per game and represents a \$35 savings over the monthly option (available through April 4 at \$59 per month, plus a one-time \$5 fee, for 80 games – no Home Opener).

Twins Pass ticket holders can watch a game from any of Target Field’s wide variety of indoor and outdoor social spaces, located from foul pole to foul pole and on all levels of the ballpark (Club level access not included). Fans also have the option to upgrade on a game-by-game basis into select seat locations, should they choose.
